Increased harvests from grafted plants

BUY 3 SAVE* £11.97

BENEFITS OF GRAFTED VEG

Longer cropping season - plants fruit earlier in spring and crop later into autumn

Extra strong root system allows plants to be grown outside - no need for a greenhouse!

Better tolerance to soil pests and diseases - no need for growbags, plant straight into the ground.

This all-natural process of joining the best fruiting varieties to more vigorous rootstocks will bring you the best possible results from a single plant. Spend a little extra on our grafted plants and reap the rewards right through the season!

We will not pass on email or phone numbers to any other third parties.

Thompson & Morgan strives to ensure that all its plants are delivered to you in the perfect condition for planting. Sadly the time it takes to deliver to certain locations in the UK means that we can't guarantee this, so regrettably we are unable to ship live plants to the following areas: HS, IV41-IV56, KW15-KW17, PA34, PA41-48, PA60-PA78, PA80, PH40-PH44, TR21-TR25, ZE1-ZE3. For grey and coloured lorry marked items please allow 5-7 days for delivery - please note due to courier limitations we are unable to supply these items to Northern Ireland, Isle of Man, Highlands, Islands, BFPO, Channel Islands, Scilly Isles and Eire. Full terms and conditions are available on request or on our website at www.thompson-morgan.com. Your contract for supply of goods is with Thompson & Morgan. Thompson & Morgan is committed to supplying high quality products to recreational gardeners and households for personal use. Our liability is restricted to the purchase price of the item ordered. Where **SAVE*** is shown, please note that savings are based on the equivalent of multiples of the cheapest pack size. Call: 0844 573 1818 - Calls cost 7p per minute plus your phone company's access charge. Calls from other networks may vary. Lines open Mon-Sun (9am-6pm). **Prices valid to 31st March 2025.**
